PROFESSIONAL SUMMARY

Java Full Stack Developer intern skilled in Java, Spring Boot, Hibernate, REST APIs, SQL, and React fundamentals. Experienced in building real-time web applications and ML-based student portal. Strong problem-solving skills demonstrated through hackathons and coding practice.

SKILLS

- **Backend:** Java, Spring Boot, Hibernate, JDBC, Servlets, REST APIs
- **Frontend:** HTML, CSS, JavaScript, ReactJS(basics)
- **Database:** MySQL, MongoDB
- **Tools:** Git, GitHub, Eclipse, IntelliJ, Postman, VS Code
- **Other Skills:** Python basics, ML basics

EXPERIENCE

- **Dhee Coding Lab** Feb. 2025 – Present
Java Full Stack Developer – Intern Bangalore, India
 - Gained hands-on experience in full-stack development using HTML, CSS, JavaScript, Core Java, Hibernate, Servlets, and SpringBoot.
 - Built responsive web pages and applied object-oriented programming (OOP) principles in Java to develop clean, reusable, and maintainable code.
 - Strengthened problem-solving skills by practicing data structures and algorithms, enhancing coding efficiency and logical thinking.

PROJECTS

- **Centralized Student Portal with Resume Analysis & Tech Games** Sep. 2024 - Feb. 2025
Tools: [Python, Machine Learning, Streamlit, HTML/CSS, JavaScript, , Java, SpringBoot, MongoDB]
 - Developed a resume analysis system using Machine Learning to recommend suitable job roles.
 - Designed and integrated interactive technical games, Streamlit-based ML model UI, and study material modules to enhance student engagement.
 - Implemented web scraping to provide daily updates on the latest technology news and trends.
- **E-Commerce Application Development** Jul. 2025 - Sep. 2025
Tools: [Java, Spring Boot, Hibernate, Servlets, MySQL, REST APIs, Postman]
 - Designed and developed a full-stack e-commerce application with product catalog, user authentication, and order management features.
 - Implemented Hibernate and MySQL for efficient data persistence, retrieval, and transaction handling.
 - Built and tested RESTful APIs using Spring Boot and Postman for seamless client-server communication.

EDUCATION

- **PES Institute of Technology and Management** 2021–2025
Bachelor of Engineering in Information Science and Engineering Shivamogga, Karnataka, India
 - CGPA: 8.52
- **SPSM Independent PU College** 2018–2020
Pre University Course Davanagere, Karnataka, India
 - Percentage: 75%

ACCOMPLISHMENTS & CERTIFICATIONS

- Participated in a 24-hour Hackathon “HackTechFusion 2.0” conducted by BIET College, Davanagere. Jul. 2024
- Certified in “Java (basic)” by HackerRank. Aug. 2025
- Solved 80+ leetcode questions including Arrays and String.
